THE TEACHING OF THE ASCENDED MASTER

THE TEACHING OF THE NEW AGE

◆ THE QUEST FOR SELF

"What is Truth?" Pontius Pilate asked about 2000 years ago. This is still a pertinent question today. The Teaching of the Ascended Master not only gives us an answer to this question, but also answers other questions such as:

"Why am I here?" "When did Humanity first come to Earth and what were the prevalent conditions?" "What are the 7 Root Races and the 7 Cycles originally planned for each?"

"How was Man created and what were his abilities then?" "Was there a Garden of Eden and how long did it last?"

"What are the great Cosmic Laws and what are the 7 Rays that govern our world in relation to the 7 Bodies of Man?"

"How is the Celestial Hierarchy and life in the Universe organised?"

"What happens when I leave this earth plane and what does Ascension mean to each of us?"

◆ THE EPIC OF THE AGES

When man first set foot on this world, many millions of years ago, certain highly developed individualities, called "Ascended Beings" voluntarily chose to help humanity to fulfill its destiny. These Beings dedicated their lives to serve God. Later, after the fall of man, several Ascended Masters like these Beings constituted the Great White Brotherhood, Beings of Light who made the sacrifice of postponing their own spiritual evolution until all humanity is ascended and liberated. Jesus, Buddha, Mary, Moses, Confucius are such members among Others of this Great Brotherhood. Since then, the Ascended Masters have been at work until now. In the 19th century, Joseph Smith, Jacob Lorber, Mary Baker Eddy and Helena Blavatsky were among those who were then sponsored by the Hierarchy and they were able to reveal certain applications of the Cosmic Law, the Divine Law. Just before 1919, the Ascended Master Djwal Kul received a Dispensation to present a portion of the Law of Life through the messenger Alice Bailey. A little later, through his books "The Life and Teachings of the Masters of the Far East", Baird T. Spalding introduced western consciousness to some of the Teachings of the Ascended Masters.

◆ TWO DISPENSATIONS FOR THE NEW AGE

In the late 1920s, the Ascended Master Saint Germain obtained a first Dispensation which the New Age at the same time that the Occult law was abolished, which law governed all spiritual and religious teachings before prior to this event. By virtue of this Occult law, certain truths could not be delivered simply and directly, but had to be veiled in parables, myths, legends or formulated in such a way that only an initiate and not the masses could understand them. When Plato, an initiate in the mysteries of the Occult law, wrote about Atlantis, he did so in the form of a dialogue. Because to the urgent needs of the Earth, this Dispensation allowed for the first time to deliver to the public some of the unpublished applications of the Law. Previously, students had to qualify to enter a Retreat to benefit from it. In 1951, the Ascended Master El Morya applied for a new Dispensation to take over from the first. The scope of the message was greatly expanded. Starting from the beginning, the Great Beings again explained to the students, in detail as never before, how they could achieve their Ascension through initiations for that glorious end, and how they could mitigate or prevent the cataclysms that many predicted. Many new subjects were thus delivered. The name of this new Dispensation is "The Bridge to Freedom. "When one compares this Teaching with any other, one realises that the message of the " The Bridge to Freedom" Dispensation is unique, self It stands alone and has no equivalent. Of this content, the Archangel Uriel said: **"It is a Bible made up of the energies of the Archangels and the Ascended Masters that will endure for the rest of the civilisations to come on this planet Earth"**. The Masters of Wisdom have declared that the effort undertaken in 1951 as the last effort to liberate humanity. They undertook it in order to increase the Light of the Earth - which is constructively qualified Energy - so that a minimum of suffering is contained when certain planetary changes occur which are practically upon us. The overall plan is to quickly redeem the Earth, restore its perfection and bring humanity back into conscious communication with the Ascended Brotherhood, so that a NEW AND GLORIOUS GOLDEN AGE CAN BE MADE MANIFEST. In this New Golden Age, science and history will work hand in hand with religion which will no longer be a mere ceremonial affair, but together a living spiritual practice of every day and every moment.

♦ A.M.T.F. *"THE ASCENDED MASTER'S TEACHING FOUNDATION"*

"The Ascended Master's Teaching Foundation" (AMTF) was established in 1980, with the sole purpose of maintain the work of the original "The Bridge to Freedom". The Foundation therefore bases all his Teaching on the Dictations of the Masters of Wisdom delivered through Geraldine Innocente, the authorized messenger of "The Bridge to Freedom" Dispensation. Thus the Foundation is certain that these Teachings are authentic and left intact and unchanged. The objective of republishing all the original publications in their original form has been achieved. Therefore the Foundation "The Teaching of the Ascended Master" is the logical heir of "The Bridge to Freedom" without however claiming exclusivity.
